Federal Reserve Board Email comments

Dear Email comments,

once my husband and i had a credit card with a balance. our son has the same name as his father but not the same address or ss number. it was showing on his credit report and keeping him from buying something he

wanted. i tried everything with the credit card company and the credit bureaus but it is still showing on our sons credit report. it shouldnt be that hard to get a correction made

.

Sincerely,

Mrs. celia keel
